

DEPARTS PORT VILA 7 DAYS

Depart Anchor Inn at 8.45am
We return you to your resort around 2.30pm

LUNCH OVER WATER AT WAHOO BAR

After cruising, enjoy one hour of free time (from 12.30pm to 1.30pm) to lunch at the much loved **Wahoo Bar & Restaurant** before we board the bus to return to Port Vila. Gaze out over the harbour from the over water deck. The food is fabulous and the prices are very reasonable. This is a favourite destination for Port Vila locals on the weekends. Please note: Lunch is not included in the tour price.

EXPLORE NORTH EFATE

We take you out of town, past local villages and lush scenery to a paradise away from the tourist route. Our air-conditioned coach is bound for North Efate, to board **Vanuatu's largest Glass Bottom Boat** for a true Adventure Cruise over calm, protected water.

Havannah Harbour, protected by three tropical islands, is our playground. This is a place where time stands still and island villagers still paddle outrigger canoes. We take you on a magical harbour tour to a special reef in calm water, where we snorkel with a wide variety of colourful tropical fish over a rich coral garden. Try our new Easybreathe snorkel masks or choose a traditional mask and fins. On many occasions, we encounter turtles. This is simply some of the best snorkeling you will do.

ADULTS 7,800 Vt
CHILD (5-15yrs) 3,400 Vt

Don't want to swim? That's fine. Simply relax aboard our comfortable catamaran. View the underwater world through our **windows to the sea** before we call into a deserted beach where our crew delight in climbing coconut trees & sharing their harvest.

Finally, we cruise back to the much loved **Wahoo Bar & Restaurant** - where you can choose to dine or to swim - before heading back to town one hour later.

When you return to Port Vila at 2.30pm you will have sensational photos and enduring memories of **Havannah Harbour in North Efate.**

Fantastic snorkelling
